

## Covid19 Committee Boat Protocol

### Launching and Recovery

Standard RIB launching and recovery procedures to be followed, under instruction from the Coxswain

### Equipment

Where possible load committee boat equipment (flag rolls, race boards etc.) 72 hours before use

Committee boat to be equipped with sanitising wipes

### Manning and Operation

Maximum of 3 crew on Moonshadow and Stirling, maximum of 2 on Q18

Maintain 1 metre+ wherever possible, following government and RYA guidance; members of different households to wear face-coverings

Wipe down any common surfaces (e.g. steering wheel) before use by a different person

As far as possible items of equipment (e.g. flags and halyards) to be handled by the same person throughout
