

**Grafham Water
Sailing Club**

Wednesday Evening Pursuit Race 2nd September 2020 Supplementary Sailing Instructions

- Before competing, each helm must enter by using the Grafham Water Sailing Club WebCollect facility.
- The fundamental rule on safety includes the UK government guidance on social distancing. A two meter separation is required between all boats at all times.
- The Course Number will be announced and published online, by 17h30, and will be displayed on the port side of the committee boat.
- For all starts, the starting line will be between the mast on the Committee boat flying an orange flag and a Dan buoy carrying an orange flag.
- Classes start at the times listed below. There will be no lap “gate” or finish line.
- To alert boats that a race will begin soon, the orange starting line flag will be displayed with multiple sound signals at least one minute before the warning signal **O** is made
- The numbers displayed on boards on the committee boat shall be changed with a sound signal every minute until 18h51 or for as long as there are starters in the starting area.
- Near the end of the race keep within 50 metres of the centreline of your sailing leg to make sure you receive a finish, especially if beating or tacking downwind.
- The race ends at 19h20. Finish ranking is the order of boats on the water, the leader being finished at 19h20, the boats following as soon as possible afterwards.
- Note the boats next in front and behind you at the finish time and continue sailing until your finish has been recorded from a RIB or committee boat.
